DAVID SEBASTIAN LLANOS

Data Analyst & Quality Supervisor · Dashboards, KPI Reporting & Data Quality

Medellín, Colombia (Remote) · sebllanosw2@gmail.com · +57 310-661-7993 · linkedin.com/in/davidsllanos

PROFESSIONAL PROFILE

Data analyst and quality supervisor with 5 years of experience working fully in English with high-volume operational data: building KPI dashboards, auditing quality at scale and leading teams of up to 32 analysts. At TaskUs, reduced team shrinkage by 70% and raised account-level accuracy and consistency by 10%. Currently studying Digital Business at ESIC and leading consulting projects with real companies, three of them already implemented. Bilingual: English (C1) and Spanish (native).

CORE COMPETENCIES

Data Analysis & KPI Dashboards	Data Quality & Reconciliation	QA Auditing & Root-Cause Analysis
Team Leadership & Coaching	Stakeholder Management	Lead Research & CRM
Market Research & Strategic Foresight	Process Improvement & Action Plans	Business Strategy for SMEs

PROFESSIONAL EXPERIENCE

TaskUs | Quality Supervisor — Jan 2025 – Dec 2025

Frontier account · Content moderation for a global social media platform

- Led a team of 32 Quality Analysts for 6 months, then 15, including administrative people management.
- Reduced team shrinkage by 70% and raised account-level accuracy and consistency by 10%.
- Owned the quality metrics dashboard (AHT, accuracy, consistency, QA) for an operation of 2,000+ agents: data feeding, updates, maintenance and the underlying database.
- Coached and gave ongoing feedback, implemented action plans and followed them through to closure.
- Led meetings with national, regional and international stakeholders.

TaskUs | Quality Support Analyst — Aug 2024 – Dec 2024

Frontier account · Content moderation for a global social media platform

- Audited 200 content moderation decisions a day against complex, multi-layered platform policies, with 98.2% personal accuracy.
- Ran root-cause analysis on errors and documented findings and action items for follow-through.
- Promoted to Quality Supervisor after 5 months.

iQor | Customer Service Agent — Sep 2023 – Jul 2024

- Resolved account, order and payment cases in English in a high-volume environment, keeping complete and accurate records of every interaction.

Axxaco | Supervisor & Data Analyst — Jan 2021 – Jul 2023

- Supervised a team of 12, overseeing daily operations and the quality of data inputs.
- Cleaned, standardized and validated sales databases with thousands of records in Excel, reconciling entries across sources.
- Researched and validated prospect and contact information, removing duplicates and filling missing data to keep lead lists accurate.
- Built recurring dashboards in Excel and Power BI that leadership used to track sales, agent connectivity and performance metrics.

CONSULTING PROJECTS · ESIC BUSINESS & MARKETING SCHOOL (REAL COMPANIES, TEAM LEAD)

BH Salud Aug – Oct 2026

Designed an AI-assisted purchasing agent for a dental distributor using ABC and turnover analysis of 1,924 product references. **Result:** −54% projected capital in the monthly import order.
